CONSENT MOTION FOR FURTHER EXTENSION OF TIME

The School Board of Broward County ("SBBC"), by counsel, hereby moves for a further extension of time to respond to the Petition for Reconsideration filed August 30, 2004 by the School Board of Miami-Dade County, Florida ("Miami-Dade") in the captioned matter. We request an extension of the response deadline to September 29, 2004. Counsel for Miami-Dade has indicated he will not interpose an objection.

As explained in our previous motion, the matters raised by Miami-Dade have been in litigation for a number of years and comprise an extensive record involving multiple parties. A significant aspect of the issues in play involves engineering questions for which SBBC's technical consultant has been unable to conclude his analysis because of a personal matter that has required his attention this week.

No administrative detriment should result from the grant of this motion. Moreover, the public interest will be served by the Commission's having the benefit of a complete analysis

from the perspective of SBBC, which an extension of the current deadline will afford. Accordingly, this motion is supported by good cause.

For these reasons, SBBC asks that the deadline for responding to Miami-Dade's reconsideration request be extended to September 29, 2004.

Respectfully submitted,

SCHOOL BOARD OF BROWARD COUNTY
